## LATE WORK

### WHAT DO YOU MEAN

# LATE?

Assignments not turned into the Google Classroom when I ask for them are considered late.

## SO...

You'll have until Wednesday at 8:30 am to get your work turned in. If you fail to do so, you will need to attend Homework Detention on Wednesday evening from 2:45 to 4:45.

## & THEN

The assignment expires and you can no longer earn any points for that assignment.
